*Sargies Cornish kitchen was formed by husband and wife team, David and Kirsty Sargent, in May 2007, so the business is still relatively new.*

*In the beginning all food was produced at home until after six months, and with the business rapidly growing, we moved to a unit in the small village of Kilkhampton.*

*Sargies sells a wide range of products all of which are free of preservatives, additives and colours. The food available is made entirely by hand by David Sargent, who qualified as a chef in 1998 and has worked throughout the West Country ever since.*

*We offer a wide range of ready meals that can be delivered direct to your holiday home (please see the separate information with what we produce and costs) and are very happy to discuss your requirements with you prior to your holiday stay so these meals can be prepared and ready for you for when you arrive.*

*We are also delighted to be able to offer a personal chef service in your holiday home. This can be everything from a private dinner party, birthday party or larger celebration where you choose the menu and all your requirements and we work to a budget that suits, creating a very personal atmosphere for you and your family and friends to enjoy, whilst we set up, cook, serve and wash up!!*

*Please do contact us for further information of what we can offer. We have an excellent reputation with guests of Elite West Holidays and would be delighted to discuss menus or ideas with you.*

*We look forward to hearing from you.*
