Rock House is a spacious and contemporary house situated within a short walk of the beaches and coastal path and the centre of town and is perfect for those looking to relax. A fantastic newly built house in a quiet residential area of Bude but only five minutes' flat walk to the beach at Crooklets Bay.

This is a lovely family home for up to eight people. Enjoy preparing meals to delight the family in the incredibly spacious and well equipped kitchen. With Neff appliances throughout, the kitchen is a cook's dream and there is plenty of space for everyone to sit round the family table.

There are four bedrooms with two bathroom/shower rooms (one en-suite), the large sized kitchen/diner with adjoining sitting room leading to the patio and garden. The house has been built to a very high standard by a highly sought after local builder. With bright, airy rooms and plenty of space both in the living areas and sleeping areas, this is a contemporary house tastefully decorated and furnished by the owners.

The garage has plenty of space for wetsuits, surf boards, bicycles and all your beach gear and the owners have even provided a lovely wooden hand-cart for loading up all your bits and bobs for a visit to Crooklets Bay – a very easy five minute walk. So close that if you have forgotten something, or want to pop home for a quick bite to eat or make up a picnic, then you will be able to do just that. Park your car on the drive for the whole of your stay and leave the keys in the house until you, sadly, have to drive home. A really lovely house that provides so much and, if you are visiting in the cooler months, there is a fabulous woodburner which makes a great focal point in the evenings.
